

Proven Payment Technology for the Modern Laundromat

Contactless card and Mobile Payments

Data to drive decision-making

In-store and remote management

Promotions and Marketing

Wash-Dry-Fold solutions

Work-horse reliability

Use Card or an App to pay

Contactless NFC Technology

No inserts, No swipes, No wear-and-tear
Same reader for card and App

HOW IT WORKS

- ▶ Hold laundry card or phone near card reader to pay for a cycle
- ▶ Use Value Add Center kiosk to reload balance on laundry card or to buy a new card
- ▶ Reload Mobile App balance directly within the App

Payments towards the balance go to your bank account – you keep the float!

VALUE ADD CENTER KIOSK

ANTENNA

Wireless communication with readers

PAYMENT TERMINAL

Takes chip (EMV) and mag credit/debit cards, Apple Pay and EBT cards

RECEIPT PRINTER

BILL ACCEPTOR

Up to 1,000 bills. If internet goes down, can still reload card with cash.

CARD DISPENSER

15" TOUCHSCREEN

Features an intuitive interface, 3D animations depicting usage, English/Spanish

LAUNDRY CARD HOLDER

Rear-door model shown.
In-wall cabinet dimensions:
23"x23"x10"

Front-door and Cash-only models also available.

STORE MANAGEMENT

- ▶ Get equipment diagnostics and notifications of problems
- ▶ Get detailed usage reports
- ▶ Track cash and collections
- ▶ Track specific customers
- ▶ Provide refunds remotely or at kiosk
- ▶ Dispense cards remotely or at kiosk
- ▶ Set vend pricing and Time-of-Day/week schedules including *Last Wash*
- ▶ Set promotions and gauge effectiveness

WASH-DRY-FOLD AND POS

- ▶ Use staff cards to track Wash-Dry-Fold use
- ▶ Accept laundry card or App at your Point-Of-Sale and keep cash away from the register!

Desktop POS reader

ANCILLARY APPLICATIONS

- ▶ Use readers for door access control (e.g bathrooms) – just tap to unlock
- ▶ Put readers on vending machines such as VendRite and even on arcades

JUST A FEW REASONS TO CHOOSE LAUNDROWORKS

REASON 1: **Dead Simple to Use**

Tap/hold NFC card or App to pay at the machine, reload balance instantly. Anyone can use it - leave the coins in the past and automate your store.

REASON 2: **Trusted, Proven, and Reliable**

Installed at over 4,000 locations, Laundroworks works on all brands and models and is trusted by the largest equipment dealers and chain-store operators across the US.

REASON 3: **Packed with features, including...**

- ▶ Multi-vend remote price control
- ▶ Customer notifications when cycle is finished
- ▶ Customers can check their usage and replace lost cards at the kiosk –without an attendant!
- ▶ Customer contact capture at the kiosk for marketing automation
- ▶ Time Card functionality
- ▶ Many bonuses and promotion capabilities
- ▶ Remotely updatable firmware

REASON 4: **Competitively Priced**

Serious payment technology without shortcuts and at lower prices than other reader-based systems.
